Be Mine!

Valentine's Day Parents Night Out!

We will be providing **free** babysitting on Tuesday,

February 14, 2012

from **6:00pm to 9:00pm.**

Dinner will be provided. Children can also wear or bring their pajamas!

Advance sign up required!

Just a reminder, to give us a call if your child/children will not be attending Daycare on a regularly scheduled day.

IMPORTANT PLEASE READ

Shining Stars is **NOT** allowed to administer any medication (including over the counter pain relievers such as Tylenol and Orajel) without written medical consent from your child's doctor. These forms are available in the office. We currently have three MAT Certified staff members that can administer medication. Not every teacher can. Any medication brought to the center must be brought to and checked in the office. Please double check your child(rens) diaper bag and/or backpacks to make sure you have not left ANY kind of medication (or other hazards) in them. The cubbies are very accessible to the children and medication left behind creates a very unsafe environment for all of the children. If you have any questions please stop by the office. THANK YOU!

HAPPY VALENTINES DAY!!!
